Screening Questions

- Please answer these questions carefully as your responses will determine which subsequent data entry screens are appropriate for your institution.

1. How will you report Operating (Game-day) Expenses?

By Team

Per Participant

2. Select the type of varsity sports teams at your institution.

Men's Teams

Women's Teams

Coed Teams

3. Do any of your teams have assistant coaches?

Yes

Men's Teams

Women's Teams

Coed Teams

No

- If you save the data on this screen, then return to the screen to make changes, note the following:
- 1) If you select an additional type of team remember to include associated data for that type of team on subsequent screens;
- 2) If you delete a type of team but have already entered associated data on other screens, all associated data for that type of team will be deleted from subsequent screens. However, because the survey system has to recalculate the totals, you must re-save every screen.

Supplemental Information (optional)

- This screen may be used to help the reader better understand the data you have provided, or to help a prospective student-athlete make an informed choice of an athletics program.
- This information will be viewable on the EADA public website. Please do not include the names of individuals or write messages to the help desk.
- To explain specific data entered on a previous screen, please use the caveat box on that screen.

This reporting format excludes capital project and debt service expenditures that totaled \$14.9 M. Revenues have also been reduced by \$14.9 M. Contributions to endowments were approximately \$2.7 M. All contribution amounts related to seating in venues are reported by sport. Any related expenditures beyond the operation of the seating area on game days are reported as unallocated. MSU had 7 home football games during 2012-13. MSU had 8 teams and individuals from 8 other teams compete in NCAA championships. The football team participated in the Buffalo Wild Wings Bowl.

TABLE 1 - ATHLETICS PARTICIPATION

Athletics Participation. A participant is a student-athlete who, as of the day of a varsity team's first scheduled contest: (a) is listed as a team member; (b) practices with the varsity team and receives coaching from one or more varsity coaches; or (c) receives athletically-related student aid.

Any student who satisfies one or more of the criteria above is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student who does not play in a scheduled contest, whether for medical reasons or to preserve eligibility (i.e., a redshirt).

Student-athletes who participate in more than one sport should be counted in each sport. Male practice players are NOT to be included on the NCAA form as participants in this table, but are now required by the federal EADA.
